**Michigan Trophy Hunts**  
We provide guaranteed elk, white-tail deer, and Russian boar hunts. We have three fenced enclosures where we conduct both guided and un-guided hunts.

They are mixed upland and cedar swamp, with up to 320 acres to hunt. Our elk and deer hunts start September and end in January. Our Russian boar season runs mostly in winter and spring but call for exact dates and prices.

We have five classes of elk hunts. Bull hunts run from \$1,800 to \$5,800, depending on size and cow elk hunts are \$950.00.

The price includes lodging and food. We have a beautiful new 2,600 square foot lodge that sleeps eight, with a hot tub, pool table, and big screen TV. You will definitely not be roughing it!! You may hunt with a rifle, muzzleloader, or bow and arrow. Hunt length depends on number of hunters and time of the year. (We don't limit the days, so you won't feel any pressure.)

Most hunting is done from heated ground blinds or tree stands, driving or stalking. No license is required and for your protection we are accredited TB and CWD free.
